

You Asked Us...

Q: I have purchased some personal furniture pieces from a resident that'll be leaving KAUST soon, I need help to move the items to my home. Isn't there a delivery service available for help with this situation?

A: If you have bought a personal furniture item(s) from another resident and you need assistance moving the piece(s) to your home [at KAUST] there is a paid moving service available. The service includes the collection of goods from the origin location, the movement through the available truck (Open or Closed) and the placement of goods at the destination location. The cost of logistics (collection, movement and placement) as per the contract is, regardless the number of manpower assigned and the time that one trip could take:

- SAR 400 per Trip using a medium truck (most used)
- SAR 500 per Trip using a large truck

In addition, if the goods require dismantling at the origin location and re-assembly at the destination location, an amount of SAR 40 per one (1) hour per one (1) carpenter shall be also added. To request the logistics and assembly services, you are kindly requested to contact FC Helpdesk through either 8080959 or via fchelpdesk@kaust.edu.sa.

For more information about this and other residential furniture services visit the [Materials Management](#) webpage on the [Community Life intranet](#).
