

ISLAND TREASURE HUNT

Rules

- The Island Treasure Hunt includes 70 questions. Submit your completed answers with the 'Treasure phrase' to getengaged@kaust.edu.sa for a chance to win the treasure!
 - All questions in black must be answered. If answered correctly, they will help you to solve the phrase at the end.
 - Questions in green are additional fun things to do... they are not needed for the competition entry.
 - The hunt can be done on foot (you might want to complete it in sections), on bikes (recommended option) or in the car (might be quicker... and cooler... but you may miss some of the questions).
 - The questions assume you are on the driving side of the road (if you are cycling or driving).
 - The sections can be completed in any order.
 - You will need to print the question sheet and take it with you on the 'hunt'.
