

Guidelines for the Ownership of Pets in the KAUST Community

1. Purpose

- 1.1 These guidelines outline how KAUST regulates pet ownership to ensure a safe environment for all members of the community.

2. Pet Ownership

- 2.1 **KAUST residents may keep a maximum of three pets which can be any combination of cats and dogs. Cats and dogs are not permitted to live in apartment buildings or shared accommodation.**
- 2.2 Residents may also keep a maximum of two small indoor birds or hamsters in an appropriately sized cage and/or fish in an appropriately sized tank.
- 2.3 Venomous or non-domesticated animals are not allowed to be kept as pets within KAUST. For the purposes of these guidelines, non-domesticated animals include, but are not limited to, wild and exotic breeds, dangerous dog breeds as determined by the Saudi Ministry of Agriculture (see Appendix 2), feral cats, reptiles, sheep, goats, rabbits, chickens, ducks and pigeons.
- 2.4 If in doubt as to whether a particular animal species is permitted to be kept within KAUST, guidance must be sought from the Petcare Team (see Appendix 1).

3. Pet Registration

- 3.1 To register or re-register a pet, follow the instructions on the Pets in our Community Webpage (see Appendix 1).
- 3.2 **Initial Registration:** All pets (excluding fish) must be registered within a month of their acquisition or arrival at KAUST.
To register your pet, you need to provide.
 - KAUST Sponsor's ID
 - Evidence of up-to-date vaccinations
 - Microchip registration number for cats and dogs
 - Pet photoOnce you have these documents available follow the instructions on the Pets in our Community Webpage (see Appendix 1) to complete the registration form and upload your documents.
- 3.3 **Pay a one-time registration fee of SAR200** per cat or dog. All other approved animals are registered for free.
- 3.4 **Annual re-registration:** Registration is valid for one year and annual re-registration is mandatory within 4 weeks of its expiry. To re-register, each pet will require proof of updated annual vaccinations. These should be uploaded online when you re-register.
- 3.5 Failure to re-register a pet within the stipulated timeframe will result in a fine of SAR200.
- 3.6 Please contact the Pet Care team (see Appendix 1) to notify them of any changes to your pet's registration status (e.g. rehoming, loss or death).

Guidelines for the Ownership of Pets in the KAUST Community

4. Leaving KAUST

- 4.1 As part of the final clearance procedure, Pet owners who are leaving KAUST must notify the Petcare Team (see Appendix 1) before the planned date of departure and provide evidence that the pet is leaving/being shipped out of KAUST and/or KSA; or that someone else in the KAUST community will be taking over the ownership of the pet. Any new owner should re-register the pet in their name.

5. Shipping Pets to/from the Kingdom of Saudi Arabia (KSA)

- 5.1 Before moving your pets to KAUST, pet owners should:
- Carefully consider the transit process of shipping animals to/from KSA. The process can be traumatic for pets and KSA has climate conditions which might not suit all animals.
 - Be clear on Government laws and regulations appertaining to the types of animals that are not allowed to enter the Kingdom and KAUST.
 - Obtain the necessary approvals/licenses from the Saudi Arabian Government to import/export a pet. This may require clarifying with the selected pet shipping company all administrative, veterinary and other preconditions of transportation, as well as the physical conditions and caretaking of animals during the journey to/from KSA.
- 5.2 Pet owners shall obtain, and bear all costs of, the necessary approvals, permits, transit, or licenses as prescribed by the applicable laws of KSA for the import and/or export of animals.

6. Keeping Pets at KAUST

- 6.1 Pet owners are responsible for the ongoing vaccinations of their pets and for keeping up-to-date vaccination records (including rabies), in compliance with applicable laws and regulations. This will be required for registration and re-registration purposes.
- 6.2 If a pet is lost/found, the microchip will facilitate reuniting the animal with its owner. It is recommended that pets wear collars/tags to help identify them as pets.
- 6.3 Pet owners must ensure there is sufficient food, water and space for the animal to move about their living space.
- 6.4 Pet owners must:
- take full responsibility for the care and behavior of pets by keeping them under control at all times;
 - ensure their pet is not a risk or nuisance to neighbors and other community members;
- 6.5 When outside of the house and own backyard, dogs must be kept on a lead (except in designated dog-run areas) and kept under control at all times.

Guidelines for the Ownership of Pets in the KAUST Community

- 6.6 With the exception of the Security K9 unit or Approved Personal Service/Guide Animals, pets are **not allowed** in the following areas:
- indoor and outdoor areas of the University Academic Campus (e.g., *Spine*, and academic buildings);
 - indoor facilities, such as movie theaters, restaurants, retail shops, recreation centers, health centers;
 - Discovery Square, KAUST South Beach, Mosque grounds, outdoor dine-in restaurants, all swimming pool areas, and public fenced AstroTurf pitches; and
 - additional areas which may be designated as pet-free areas.
- 6.7 Dog owners must clean up after their dogs. Disposal bins are provided throughout the community. The fine for not cleaning up after a dog is SAR250 per incident.
- 6.8 Any Vets providing services in KAUST are independent practitioners and KAUST will not be liable for any pet care interactions between the pet owner and the Vet.
- 6.9 Visitors are not allowed to bring animals to KAUST.

7. Lost and Trapped Pets

- 7.1 Lost pets should be reported to 959 (see Appendix 1). Do not contact 911 or 922 for lost pets.
- 7.2 If a cat is caught in a trap, its registration status will be checked.
- Unregistered cats** will be collected by Pest Control and will be treated as stray animals. They will receive Veterinary care if needed, and/or may be relocated.
 - Registered cats** collected in Pest Control traps will be returned to their owner.
- 7.3 All other animals found without an owner will be checked for registration status. Unregistered animals will be treated as strays. They will receive veterinary care if needed, and/or may be relocated.
- 7.4 If a registered dog is found without (or not controlled by) its owner, the owner may, subject to investigation and may be liable to pay a fine of SAR250. Repeated incidents by the same dog may lead to its removal from KAUST at the owner's expense.

8. Vacation, Neglect and Mistreatment

- 8.1 Pet owners must make appropriate arrangements for the care of pets when they are absent from KAUST.
- 8.2 Pet owners may lose their right to own pets if they neglect, mistreat, or abandon an animal. Pet cruelty may also lead to fines and further investigation.
- 8.3 Pets must not be left unattended in a vehicle at any time.
- 8.4 Dogs should not be left outside in personal gardens for extended periods unless suitable shelter is available, and they must not be left to bark for extended periods of time.
- 8.5 If a community member has a concern regarding the health, well-being or behavior of a pet in the community, they should contact Reportit (reportit.kaust.edu.sa). If the concern is serious or urgent, 911 may be contacted.

Guidelines for the Ownership of Pets in the KAUST Community

9. Breeding, Sales and Rehoming of Pets

- 9.1 Breeding of animals is not permitted in KAUST.
- 9.2 Selling of pets is prohibited within KAUST. However, when the circumstances justify, pets may be rehomed within the community.
